AMBASADA

AMBASADA is a meeting place for creative people – NGOs, freelancers, artists, musicians, passionate people, companies – with creative ideas. With free facilities and services for the creative and non-profit environment, anyone can set up a project, training, event or a simple outing in the space.

The cultural and resource center is equally interesting for the corporate sector as an alternative space for learning and inspiring employees, while connecting to the local community and solving issues important to it. Acting as a bistro/cafe/meeting room/conference and event room, AMBASADA offers coffee as well as training, inspiring sessions, concerts and live-public music rehearsals, movies' night, artistic installations and more.
