Ardmore Studios

From '60s classics like *The Lion in Winter* and *The Spy Who Came in from the Cold*, and recent action adventures, including *The Count of Monte Cristo* and *Reign of Fire*, to modern day Oscar winners such as *Braveheart* and *My Left Foot*, Ardmore Studios has long been established as Ireland's leading film and television production centre.

Just 12 miles south of Dublin, the studios are perfectly placed to draw on the many services the nation's capital has to offer. Yet it's also within easy reach of a vast range of locations that have been used to portray settings as diverse as medieval Scotland and the battlefields of World Wars I and II.
