Association Of Independent Producers In Finland (SATU ry)

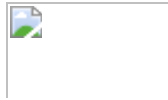

SATU ry is an organization representing the field of independent producers of audiovisual content in Finland. It aims to foster the business of its member enterprises by influencing the legislation, representing its members on administrative and communications political forums and increasing cooperation within the field. The organization also aims to develop copyright business conditions not only in Finland but also on the EU level together with its partner organizations.

SATU ry also pursues to advance its members' export potential in the international market, contributes to educational development, interesting events and competitions targeted for its members and partners. The association is committed to improve the position of independent producers in contract negotiations.
