Beijing International Music Festival and Academy

Established in 2004, Beijing International Music Festival & Academy (BIMFA) was the first annual international summer music festival of its kind in the People's Republic of China.

Open to Pianists, String Players and Selected Wind Instrumentalists of all nationalities, BIMFA brings together established performing artists, pedagogues and serious music students from around the world in a **unique collaboration in music** to promote high-level teaching, performance and cultural harmony. In addition, BIMFA's extensive cultural and excursion programmes offer participants multiple opportunities for exploration and discovery in the ancient land of China.
