British Council Thailand

British Council is a non-profit international organisation for **education and cultural relations** with aim to share art and culture for a mutual understanding and collaboration **between Thailand and UK**.

Arts is a cornerstone of the British Council's mission to create a friendly knowledge and understanding between the people of the UK and the

wider world. They find new ways of connecting with and understanding each other through the arts, to develop stronger creative sectors around the world that are better connected with the UK.

As a cultural relations organisation, they deliver arts programmes with the aim of building a stronger relationship between the UK and Thailand, facilitating **artistic exchanges and collaborations** between the two countries, which support the **building of Thailand's creative economy**.
