ENCATC Magazine is a digital publication meant to educate, entertain, raise awareness, and inform on various topics related to cultural management and policy. For its fifth issue, ASEF culture360 published an article, presenting our latest publication *[Recalibrating the Compass: New Approaches to Asia-Europe Cultural Relations](#)*.

What are some insights, ideas and recommendations that emerged from our *[Recalibrating the Compass](#)* roundtable series? Are there actionable starting points that we can consider when thinking about the roles we can play in the field of Asia-Europe cultural collaboration? What are some possible strategies for a post-pandemic recovery?

Read the article in the ENCATC magazine [here](#).
