Impresa Sociale Formever Lab Società Cooperativa Sociale

Formever Lab manufactures, promotes and implements new **products, services and sustainable models** and implements **social and technological innovation** projects in the field of **education and training** (including through mediation and dialogue processes between the public, private

profit and non-profit). It does this for a widespread social welfare and a tangible and measurable improvement of the community. It relies on the professionalism of highly qualified members with many years of experience in the field of education and social innovation.
