La Neomudejar is the Avant-Garde Arts Centre and Residence and Artist Residency in Madrid.

La Neomudéjar is a centre for arts, experimentation and creativity that is committed to **rescuing disused spaces to manage them with quality cultural uses**. It opened its doors as a self-managed, free and artistic resistance centre in 2013. It is committed to giving a voice to New Media Arts and avant-garde creators focused on promoting disciplines such as **Urban Art, Videoart, Performance, Parkour, and Sound Art**, bringing them closer to the general public. The Artists residency consists of 8 spaces between 40 and 80 m2.

Within the Museum, the **CIDV Video Art Documentation and Research Centre** was created, which reaches agreements with other Museums such as the Alameda Art Center in Mexico, with whom it generates visibility strategies for their respective archives through **exhibitions and talks**. Since its inception, La Neomudejar has been **acquiring works by different national and international artists** that have formed the Museum's collection.
