Lahore Literature Festival

The Lahore Literary Festival (LLF) is the city's premier free-to-public cultural event. LLF explores the dialogue and interface between literature and the arts that shape the cultural, social, economic, and political frameworks. The Festival aims to bring together, discuss, and celebrate the diverse and pluralistic literary traditions of Lahore—a city of the arts,

activism, and big ideas. LLF also features discussions on a variety of subjects —such as fiction and non-fiction writing, music, painting, film-making, architecture and politics, to reclaim and employ Lahore’s rich and varied literary traditions.
