LATVIJAS MŪZIKAS INFORMĀCIJAS CENTRS

The LMIC is a non-governmental organisation founded in 2002. The LMIC's focus of activity is Latvian contemporary and classical music, composers, performers, concert organisers and devotees.

The LMIC provides information not only on Latvian composers and their works, but also on the Latvian music scene - concerts, festivals,

competitions and music institutions. The Centre facilitates contacts between foreign and Latvian music institutions, composers, performing artists, music publishers and the media. The LMIC takes care of Latvia's representation at international music exhibitions and fairs, publishes CDs and informative materials.
