The Mobility Funding Guide: Funding Opportunities for International Cultural Exchange in Europe, Guide to Luxembourg provides an overview of funding available for cultural project to and from Luxembourg.

In this latest edition for Luxembourg (August 2014), readers can find funding opportunities by country in most artistic and cultural disciplines. There are **6 public foundations or agencies listed with a total of 8 initiatives**, as well as links to additional resources.

To make sure that the publication uses reliable sources, only regular opportunities accessible online are listed. This means that there are a number of resources that are not listed: funds for which information is only available offline, funds that are not based on open calls, and ad hoc or short-term funding. Additionally, this guide was last updated in 2014, so there might be some changes in the listed opportunities.

The guide is an attempt to gather all the resources in one document and is by no means complete. Rather, it is a starting point for research into funding for mobility in the context of Luxembourg. You can learn about [how to read the mobility funding guides here](#).

Since 2012, the [Asia-Europe Foundation](#) (ASEF) and [On the Move](#) (OTM) have jointly presented the Mobility Funding Guides for International Cultural Exchange for the 51 countries of the Asia-Europe Meeting (ASEM).
