Museum Roundtable

The Museum Roundtable (MR) is an initiative led by the Singapore **National Heritage Board** (NHB). It **represents and comprises a collective of public and private museums, heritage galleries and unique attractions of science and discovery in Singapore**. With more than 50 members currently, the MR strives to develop a stronger museum-going culture in Singapore while positioning museums as unique and fascinating destinations. The MR also seeks **to promote greater public awareness and appreciation of the museum landscape** by collaborating on signature MR events. Since its establishment in 1996, MR members have been attracting a steady stream of visitors.
