Neilson Hays Library Rotunda Gallery

NEILSON HAYS LIBRARY

The Rotunda Gallery was originally the entrance to the Neilson Hays Library. This beautiful, compact, circular room has become a **popular exhibition venue for Thai and international artists.**

The circular floor is tiled in original teak and the walls feature neo-classical decorative stucco. Modern art creates a particularly stunning contrast within this classical setting. The Gallery Curator can advise exhibiting artists how to make the most of this unique space. The gallery exhibits and sells art in a wide variety of media and styles. Stunning and provocative work by diverse artists of many nationalities have been featured at the two Neilson Hays galleries. Artistic media include **paintings, photography, textiles and ceramics.**
