PEN Cambodia

PEN Cambodia is a non-profit association that was founded by Tararith Kho, Poet, Co-Founder of Nou Hach Literature Project with a group of Cambodian writers and scholars in 2010 to take part in educational development in Cambodia.

PEN Cambodia has its primary goal to **promote writing and reading culture through training writers, producing literary and academic works** for the youth and general public in Cambodia.

From the beginning, Pen has had many activities locally and internationally. They have been invited to join international forum of writers organised by Pen International and partners. In addition, they have also organised some workshops in Cambodia by inviting Cambodian and foreigner writers to share knowledge and experiences for young writers.
