INTERNATIONAL

PEN International promotes literature and freedom of expression and is governed by the PEN Charter and the principles it embodies: unhampered transmission of thought within each nation and between all nations.

Founded in 1921, PEN International **connects an international community of writers** from its Secretariat in London. It is a forum where writers meet freely to discuss their work; it is also a **voice speaking out for writers silenced in their own countries**. Through centres in over 100 countries, PEN operates on 5 continents. PEN International is a non-political organisation which holds Special Consultative Status at the UN and Associate Status at UNESCO.
