Plerng Kob

Plerng Kob (Campfire) is a non-profit organisation by students who are art lovers and who aim to bring life back to the old art forms of Cambodia by creating cultural art events.

Their mission is to connect and unite the people of Cambodia through art and to promote art to international audiences. They collaborate to create

a place, where a variety of Cambodian art forms can be found and experienced, mostly old art forms that are almost wiped out of Cambodian memory. They aim to bring old art forms back to life and to support Khmer artists financially and mentally. Hence, they believe that their activities will create a sense of value and understanding of what it means to be Cambodian.
