Prague Quadrennial of Performance Design and Space

PQ
2023

The Prague Quadrennial of Performance Design and Space – Pražské Quadrienále Scénografie a Divadelního Prostoru (PQ) was established in 1967 to bring the best of **design for performance, scenography, and theatre architecture** to the front line of cultural activities to be

experienced by professional and emerging artists as well as the general public.

The quadrennial **exhibitions, festivals, and educational programmes** act as a global catalyst of creative progress by encouraging experimentation, networking, innovation, and future collaborations. PQ aims to honour, empower and celebrate the work of **designers, artists and architects** while inspiring and educating audiences, who are the most essential element of any live performance.
