Royal Tropical Institute

KIT Royal Tropical Institute is an independent centre of expertise, education and hospitality dedicated to sustainable development.

Guided by the Sustainable Development Goals (SDGs) of the United Nations, their knowledge work focuses on **global health, gender, economic development and intercultural communication**. Their

education offer comprises a graduate programme in global health, advanced courses for health professionals, a gender training programme and training and coaching services in **intercultural communication**. Their campus houses state-of-the-art office and conference facilities, the certified ecofriendly Amsterdam Tropen Hotel, and De Tropen cafe and restaurant. They are also the home of SDG House: a resident community of sustainability experts, social entrepreneurs and NGOs with a membership of 60+ organisations.

Culture and the SDGs: training and residency programme

Residencies that support artists, makers and designers to develop their creativity and innovation, and to contribute to the achievement of our shared vision of a sustainable future. This is a training and residency programme with a focus on the creative economy and on the role of culture in sustainable development, followed by a 6-day in-person residency programme in Amsterdam and Brussels on collaboration and innovation.
