SOUND DIPLOMACY

Sound Diplomacy is a global research and strategy consultancy, committed to building and supporting sustainable ecosystems that bring economic development to people, places and cities.

They provide research and recommendations to businesses and policymakers to help them make informed decisions on the best use of

places and how to stimulate economic, social and cultural growth.

The team also presents Music Cities Events, the leading series of conferences focused on the business of culture, music and the night-time economy and their importance to communities, recognises the development of robust music ecosystems through the annual Music Cities Awards, and manages the online Music Cities Community.
