[Judgment]

All works that meet the application requirements will be reviewed and selected at the first selection. If there are multiple entries, one suitable piece will be selected. For the second selection, the selected works will be displayed in the city for public election. The second election will be held from August 6th -12st. Election location: Fujishiro government building, Fujishiro station, and around Toride station.

For more information please check the website.

For the final selection, the votes by Toride citizens will be added and the judging committee will judge it.

[N. B.]

- Any type of immoral expression will be excluded for the sake of public health.
- For public safety and because of the wall material, designs that are too complicated and techniques such as gradation and shadings may not be able to be expressed perfectly. If these techniques are frequently used in the design, it might affect the judging process.
- There will be preliminary discussions with the recipient about the execution of the work. However, colors and forms may not be expressed exactly like the winners work.
- Copyright of the winning work will belong to Toride City.
- If the winner requests the return of the original design, please make a phone call to make a reservation and visit the Culture and Art section of the Toride Civic Hall anytime between August 15th to September 30th.
- The original painting cannot be returned in any other ways.
- Several submitted works will be displayed in the city.
- The submitted work and applicant's name might be used in the public information bulletin or the Toride website.
- The City and the judging committee will not be responsible for the production expense and shipping cost.
- Competitor must send the original drawing and making sure it does not get bent

during transportation.

- Toride City and the judging committee will not take any responsibility of any damages during transportation.

- Preliminary inspection must be conducted under traffic regulation. No responsibility will be taken from Toride City and the judging committee if any problems arise.

[Prizes and Awards]

Grand award...1 work.

200,000(JPY) will be awarded for the design.

The winner will be informed by Toride City's website or the judging committee's website after the election.
